

*View at new breakfast bar through new arch toward renovated kitchen, flanked by new wall cabinets.*

*Renovated Front Entry with custom Stairs.*

*New Sunroom with built-in cabinets and inviting window seat, Eat-in bar with arched view into renovated kitchen.*

*New stone fireplace with gas log insert, flanked by panoramic view of new backyard landscaping and patio.*

### PROJECT DESCRIPTION

*The overall objective of this project was to create an entertaining space with a warm and welcoming connection to the kitchen and other family areas. Existing cabinets and finishes were integrated with new to create space that is comfortable, creative and visually appealing. Additional finishes tied both the interior and the exterior spaces to the existing home.*
